...

April is Sexual Assault Awareness Month. Stealthing is “the non - consensual condom removal of a condom...” before or during sexual intercourse. Joining Steve today to talk about stealthing and other forms of sexual violence are Alexandra Brodsky, a civil rights lawyer, with a long history of advocating on behalf of sexual assault survivors. She is the author of “Sexual Justice: Supporting Victims, Ensuring Due Process, and Resisting the Conservative Backlash.” She is joined by Emma Schwartz, a 18-year-old close friend of my daughter, who, unfortunately, was the victim of stealthing. As a result of her experience, she recently launched The Adjacent Project, which seeks to advocate for the passage of non-consensual condom removal legislation.
